

Hello and greetings in the Lord,

Thank you for taking the time to read this letter and for allowing us to share with you some of the work the Lord has called us to. October 4th 2013 will mark our 9th year on the mission field. We are looking forward to what will be our 4th furlough. As faith based missionaries traveling to speak with new and supporting churches is an important part of our ministry. We spend about 4 months every two years traveling back to the States to revisit the churches we have had the pleasure to work within the past and hopefully to share this work with new ones. This time has been the exception. It has been 3 years since we traveled back to the states. We were waiting for the birth of our son Jacob's birth. We are happy to share he was born healthy and happy on March 1, 2013.

For those of you who are newly introduced to this work please allow us to share a brief history. David is a graduate of Clear Creek Baptist Bible College where he focused his studies on church planting. He graduated with a BA in Missions/Evangelism in 2003. Our home church is Germantown Baptist Chapel in Germantown, OH where David was ordained. In October 2004 we moved to Puerto Rico as volunteers working with a Deaf and an English church on the island. In 2005 we started New Day Christian Ministry. From then until now we have worked predominantly with Deaf families on the Island though everyone is welcome to join us. We have a holistic approach to Deaf ministry. We minister to the whole family and work to help them learn how to communicate and to grow in the Lord together. We teach Sign Language classes and our services on the island are taught in English, Sign Language, and Spanish.

For the past 5 years we have also been traveling to Africa to lead revivals, plant churches and provide leadership training conferences. We currently have 44 NDCM branches in Africa and we also have 2 NDCM branches in Pakistan that were formed through our online ministry. We have worked with them to distribute Bibles and to share the Jesus film.

We will be in the States this fall for furlough and would love to visit with any churches or small groups that will invite us to come and share. We can be contacted by phone at **937-307-0694** and by email at david@newdaycm.org to learn more about New Day Christian Ministry we encourage you to view our web page at www.newdaycm.org. We hope to hear from you soon!

God Bless,
David & Heather Ingram
